Dear Chairman Johnson and Ranking Member Larson:

On behalf of Indiana Disability Rights, I write to thank you for introducing H.R. 4547, the Strengthening Protections for Social Security Beneficiaries Act of 2017. Enactment of this legislation will provide critical protections for Social Security beneficiaries as well as needed reforms to the crucial representative payee program.

News stories, Office of Inspector General and Government Accountability Office reports, and hearings held by the House Ways and Means Committee have demonstrated the need for changes in the representative payee program. Your bipartisan legislation proposes many important and needed changes that will streamline the program as well as take important steps to increase oversight of the representative payee program by funding the nationwide network of P&A systems to monitor how representative payees are administering the Social Security funds received by beneficiaries.

Again, we greatly appreciate your work together on this important issue culminating in the introduction of this critical legislation.

Sincerely,

Dawn M. Adams
