. Also, my financing for the remortgage is going to expire very soon on the lake house. Do you have an update on the tax lien? My any answers in the immediate. I'm really perplexed by your shock that I'm one week late on paying \$37Kp/m alimony once since the to change your upward trajectory of a lifestyle in 25 years and you hopefully wont have to at least for the next month. Youre money gs. When I can pay the taxes I will pay the taxes."	

12/11/2018	PERSONAL TAX	Computer iCloud Backup	12/11/2018: iMessage between SM and Kathleen B., Kathleen says, "I'm talking to the bank today about getting an extension on my rate. Is the tax lien something you'll be able to take care of in the near future or do I need to cancel the refinancing?"	
12/14/2018	PERSONAL	Computer iCloud Backup	12/14/2018: iMessage between SM and Hallie B., SM says, "You're right Hallie and I find myself (because I've chosen to alienate all my friends and family and employees and you and the kids and my kids etc) very alone in dealing with rebuilding an income that can support an enormous alimony and my kids costs and myself, dealing with the aftermath of the abduction and likely assassination (that's what NYT's suspects) of my business partner the richest man in the world, the arrest and conviction of my client the chief of intelligence of the people's republic of China by the US government, the retaliation of the Chinese in the ouster and arrest of US suspected CIA operatives inside China, my suspected involvement in brokering a deal with Vladimir Putin directly for the largest sale of oil gas assets inside Russia to China, a tax bill that Eric left hanging over my business and and Dads running for president."	
12/14/2018	PERSONAL TAX	Computer iCloud Backup	12/14/2018: iMessage between SM and his Father, SM sends a letter from Rebekah Sullivan dated 12/13/2018, regarding SM's 2015 tax lien of \$112K and the fact that SM needs to turn over his "filed tax returns" to Kathleen within 3 days of filing them.	
12/20/2018	PERSONAL TAX	Computer iCloud Backup	12/20/2018: iMessage between SM and Kathleen B., SM says, "Kathleen I'm trying to raise the money to make these payments. You engaging your lawyer to tell me I need to pay her fee for writing me a letter is less than helpful. ()" in which Kathleen responds, "Please just answer your emails. You told me to use a lawyer. This isn't personal. You refuse to comply with the divorce agreement. I have no choice. I may lose the opportunity to refinance the lake house. I need to make decisions based on expected income. Give my accountant permission to review your tax returns, sign the Quit Claim, give me an answer re the tax lien. If your financial situation has changed, we can amend but that will happen in court. You just need to comply with the agreement. I don't want to communicate with you because you are too combative and rude." in which SM later responds, "No I can't Kathleen - I can't pay \$450+450 an hour for lawyers. Bill Morgan wants \$15k now for any work. And I have not filed the taxes and have been extending so again keep thinking you know best" and again Kathleen asks for access to the tax returns, in which SM responds, "My tax returns aren't completed. Bill is going off information from Eric that is not accurate at all. I don't understand. I will call him now." and again SM, "There is no accurate tax returns to send you now." in which Kathleen responds, "Please email Bill. Per the agreement, I have access to your tax returns. Just email him. If they aren't prepared, he can let me know. I don't want to have to keep asking."	
12/20/2018		Computer iCloud Backup	12/20/2018: iMessage between SM and Ed Prewitt, Ed says "I will help you close these accounts as you have asked. I will always be here for you, as I have been, and of course, I will always help you in anyway I can."	
12/20/2018	BURISMA	Computer iCloud Backup	12/20/2018: iMessage between SM and Archer discussing the Burisma wires. SM asks, "So what do they do split mine on two and send half direct to you? Or does my bank split it? Or does Kathy split it"         Archer responds, "We have not been splitting for past few months but generally yes she sends half after it gets to your account."         SM responds, "() Half of 5 is around 40 before taxes right and then we split which nets me around 12 p/m right?"         Archer responds, "I haven't been getting shit unless from you. Not sure but fairly sure they didn't cut you. I think it's around \$42-45k gross monthly depending on the euro. Let me ask Vadym today. No idea where your half is going. () FYIThe total amount monthly is \$40k ++ depending on the dollar euro exchange to sum to \$500k annually gross. Verified with Vadym and Katie. That hasn't changed and Katie hasn't sent me half since May 2018."	
12/28/2018	OTHER	Computer iCloud Backup	12/28/2018: WA messages between SM and James B., James B. says "Why don't you take them up on their offer. There is a place I found in Colorado skii ect outdoor stuff. 90 days. You will be untouchable !!! You can start in you book on how f up the the system of recovery is. We can make a movie. (I explain when we talk.) you can have uninterrupted time to start on you first book. They are all the same. I have not mentioned this to a soul By that time we will have made it with all of these deals or not. I think we will. Don't tell a soul, maybe it can be a part of the book? It's not Fuchs a crazy idea. Talk about a hot topic. Think about it, getting out of harms way, and starting something you have always talked about doing. Write about something else. It's not such a crazy idea. Your father can take care of the girls. Deal with K when you get out?! In 3 mins we will have made it or not. I working and you are working ?? Food for thought. Love, U Jim. Just between us!!!!!!!!!	
12/28/2018	OTHER	Computer iCloud Backup	12/28/2018: Text Messages between SM and James B., James B. says, "I'm not mad at you, I mad a the fact the I can't seem to close these deals. ( they are very real. ) Divorce them all, come live with me in the immediate short term. We can play out these deals , let's at least talk/ meet/ come here. I meet you anyplace you want." in which SM responds "I've been away and sober and fucking frantically trying to and get enough money to not be dictated to by a woman who has been sober for the first time in her life for a grand total of three months. She owes me a half a million dollars and I ask her for the 3000 dollar down payment for a rehab (just to litteraly I could get out of their insanity) and she says only if I go to Caron for 90 days will she lend me 3000 dollars. The same day she bought little <b>interval</b> a 1700 dollar pair of Gueci flip flops. I kid you not. So don't mad at me for not "dragging you into this anymore." ()" in which James B. responds, "I cannot find you , believe it or not I have been looking. I driven by Hallie's , you fathers. Called texted you ect. I'm sick with bronchitis/ P ? I want to help , all the deals are still alive! ( hold up is always something/holidays)"	

		12/28/2018: INJESSAGE between SIM and Dad. SIM says "If you can help with the cost I plan ion checking into City Recovery of America. You can read about it online I will send the web address.	
		It's a sober living home that several of the people I was at Caron went to (on Caron's recommendation) for one month minimum to more commonly three months.	
		It's a sober house in lower Manhattan with testing every evening at curfew. They have mandatory individual and group therapy 7 days a week and recovery counselors that you're required to provide any activities outside the house. They also require daily NA or AA attendance 8 AM group breakfast and 12AM lights out. They insist on Family therapy sessions and sober companion coach for your work exercise anything outside the house. Group dinner mandatory I think 5 nights a week.	
		Tomorrow at noon I'm required to check in at their inpatient detox facility for 7 days minimum. Then I transition to house and I committed to 3 months. I can work get my plan for teaching and begging writing with Doug Brinkley and I'm going to reengage with Boies Schiller Flexner where I'm still of counsel and have an office to go to every day. I can be with Naomi. I can be in Philadelphia by train for Finnegan and to maybe start engaging Penn regarding teaching.	
		And dad I'm not going to CA for one reason. I want to be with you. I want to be there for you and I want to be actually spend time together. So plan on a lot of working in NYC over the next few months.	
		Also the cost for 3 months is \$20,000 less than one month at Caron. But I'll need help with tuitions and January's other obligations that are not cheap as you know.	
		Again Dad if anyone asks (if you don't say no to helping me with this first month) I would really like you to say that you and I have decided on a plan that allows me some dignity has accountability (tested EVERY SINGLE NIGHT) and gives me real structure to pursue real purpose. And if they (Hallie Mom Ashley) want to know details then that can call me and ask for details.	
12/28/2018	iPad Backup Filter Review	I'm committing to more arduous accountability for a longer time with a clearer plan at a lower cost than by triple of my sister or my sister in law. So when they invariably will criticize and doubt me (and you the "enabler") please remember I'm not just petulantly doing it "my way" I'm doing what was recommended by Caron (remember she dint stay for 10 days in a program you paid \$50,000 for (\$5k a day) she didn't honor the commitment to go back for 30 days when she relapsed and now she says she will only test when someone insists on her getting her tested and she stopped getting tested when she went to FL and waited to test 12 days later. She is accountable to know one, for she's convinced Mom that any plan but long term inpatient at Caron is me not wanting to be sober (I sat and listened to the two of them tell me together to my face that I'm I. Denial and don't really want to be sober and that I'll never be a part of this family again because that's "obviously" not something I care about- to my face! Well tell her ill gladly stay with the something to a curfew and a wake up and mandatory therapy counseling 12 step attendance family therapy and testing daily.	
12/29/2018	OTHER Computer iCloud Backup	12/29/2018: wa messages between SM and James B., SM says, "I can work when I'm in NYC all day every day for the next 3 months from 8-12z But I can't pay alimony w/o Dad or tuitions or for food and gas. Really it's all gone. I can go make it up in 15/20 days I'm sure, but he's basically made it clear that he's not paying alimony b/c Mom made clear that she won't do it. Hallie wont allow me to be at the house or lend me or pay me back any money. Ashley moves into momoms house after I told dad that I would move in there. () That night I tell dad I want to probably stay in the area and specifically I wanted to live by you and teach my course at Penn and maybe develop another one ()" in which James B. responds, "This can work, you need a safe harbor. I can work with you father alone !! We as usual just need several months of his help for this to work. Let's talk about it. It makes perfect sense to me. This is difficult to fully vet without talking. Will you please call me on w/A. We can develope a plan together. It can work. I'm going to try to call yo again please Ans. I can and I will. Crisis with Caroline , same problem with "P", and NY Post. Dealing with it as we speak. She is O K , I believe I have it under control !? I get back to you ASAP."

Knowing the worst place in the world for me was Delaware. Just trying to understand how these accounts work and where money is where it came from and how and who ultimately are sending it to the account it was supposed to go to originallyAlso could you give me online access to review the account. I thinks it's important I understand how an account controlled by me (on paper but not in reality) is being usedAnd on obviously I'm not implying that is being used for anything outside of the operaTing agreement- but the two signature agreement with the bank raises the question of how Kevin moved the retainer out I the account w/o my signature." Yan replies "Yes, it needs your signature. I simply asking the bank to prepare the paperwork first." SM replies [3/22/2018] "Are you available today to go over bank statement account signing authority (Kevin's name needs to be removed). And," Yan replies "He will be.
