Thank you Hunter!

And of course , if you and Devon feel comfortable that they will deliver what in real terms we are talking about , we should disregard the wording of the scope and move further with signing and starting actual work.

Also, Eric, have you got any feedback from Sandwig with regard to visas issue and also with regard to his possible involvement in the trip to Kiev event?

Best regards

Vadym-

Let me have one final call with them and verify once more that they understand the scope so we can all feel that the retainer is in line with the work required. I trust Sally and Karen implicitly so I believe we are all aligned but I want to have one last conversation with them to confirm before we proceed.

We'll be back to you ASAP.

Best,
Hunter

Dear colleagues,

Hope, you are well. Thank you for the docs provided. I have analyzed them most carefully and came up with the following observations: the first thing is that the suggested scope of work is largely lacking concrete tangible results that we set out to achieve in the first place, mostly focusing on the process. Also, it doesn't offer any names of top US officials here in Ukraine (for instance, US Ambassador) or Ukrainian officials (the President of Ukraine, chief of staff, Prosecutor General) as key targets for improving Nikolay's case and his situation in Ukraine.

If, however, this is done deliberately to be on the safe and cautious side, I can understand the rationale. And if all parties in fact understand the true purpose of the BS engagement and all our joint efforts, it's ok and we should proceed immediately.

My only concern is for us to be on the same page re our final goals. With this in mind, I would like us to formulate a list of deliverables, including, but not limited to: a concrete course of actions, incl. meetings/communications resulting in high-ranking US officials in Ukraine (US Ambassador) and in US publicly or in private communication/comment expressing their "positive opinion" and support of Nikolay/Burisma to the highest level of decision makers here in Ukraine :President of Ukraine, president Chief of staff, Prosecutor

General, etc

The scope of work should also include organization of a visit of a number of widely recognized and influential current and/or former US policy-makers to Ukraine in November aiming to conduct meetings with and bring positive signal/message and support on Nikolay's issue to the Ukrainian top officials above with the ultimate purpose to close down for any cases/pursuits against Nikolay in Ukraine.

Looking forward to your feedback!
