Just confirming we are all set for tomorrow.

Please let me know if you need anything.

I will be sitting at Kathy's desk tomorrow in the West Wing if anything arises.

Ok I'll try and track it down. Sorry about that. Hunter is driving in with them with Secret Service so it sounded like they didn't need to go through these formalities... In any case, I'll try and get the info ASAP.

Thanks!

Hi Jamie,

Yes, Hunter is coming by tomorrow around 11:30am with a friend and his friend's son. He just wants to show them around his dad's office...nothing formal. Let me know if you need anything else.

Thanks!

Hi Katie-

Kathy is out this week and we are trying the man the ww office in her absence. My colleague Richard got a call from Hunter today. He said he was going to come by tomorrow and would be bringing some guests. We haven't heard back from him yet and I was hoping you might be able to shed some light on this so we can prep on our end.

Thanks!

Jamie
