Well Rob I find it odd that Tony hasn't reached out to me once to get my advice about what was happening with MY relationship with CEFC. Strange he hasn't mentioned the progress of one deal out of the 5 that were all closing imminently months ago.
Rob you have to hear me:
CEFC was not involved nor made aware of any deals in Oman or Luxembourg or A forest in Africa or high speed rail.
How's Gab doing Rob? James won't let me speak to him.
